

Elementary School Uniform Dress Code Policy

School uniforms reflect a proper school attitude, identity and pride consistent with a classical education. SHPA's dress code does not attempt to take into account every possible clothing instance, but serves as a practical guide to making decisions to ensure clothing is modest, unobtrusive, and in good repair. Students are required to be in uniform during the school day as well as on field trips unless otherwise notified. Uniform decisions are entrusted to staff and ultimately the discretion of the Executive Director.
