## Extracurricular Activities Participation Policy

### ATTENDANCE

Every club or sport participant must be on time and present for practices, meetings, performances, and competitions unless otherwise excused in advance. Each coach or advisor will hold participants accountable to club or sport expectations and consequences for noncompliance. If a participant is unexcused and absent from a practice, meeting, performance, or competition, that participant should expect either to sit out a portion of the next practice, meeting, performance, or competition and/or meet with the coach or advisor regarding additional consequences or restorative measures. If a participant is unexcused and absent a second time, that participant will not participate in at least half of the next practice, meeting, performance, or competition and again meet with the advisor or coach. A third offense will mean no participation for an entire practice, meeting, performance, or competition and may result in a conference with the participant and the participant's parents as well as removal from the club or sport. The expectation is that each student must be picked up when activity/club is done.

### ACADEMICS

Every club or sport participant must be on track to pass all classes and be making satisfactory progress toward meeting grade-level expectations. In addition, each club or sport participant is expected to demonstrate a positive attitude and committed effort in the classroom.

### BEHAVIOR

Every club or sport participant must adhere to behavioral standards set by the school. Detentions and suspensions will result in missing all or a portion of practices, meetings, performances, or competitions. Depending upon the situation, meetings, conferences, or restorative measures may be arranged by the coach or advisor with the participants and the participants' parents.

*In addition to the adherence to school policies and expectations, each student is required to comply with the guidelines set forth by the Minnesota State High School League (MSHSL).*

By signing below, students and parents agree to abide by the participation policy and support their coach or advisor and their club or sport members in a successful extracurricular experience:
