Hello SHPA Families,

At Seven Hills we value the establishment of a well maintained learning environment. Part of a well maintained environment is a uniform criterion for our students, but we know, students also desire to have the opportunity to be out of uniform.

Seven Hills also values Citizenship and the rewards associated with the hard-earned wisdom that our students work towards. One of our biggest rewards is to participate in our Capstone Trip to Washington DC in 8th Grade.

When these opportunities are combined the result is the Out of Uniform program! This program gives students the opportunity to be Out of Uniform on certain days while at the same time investing every dollar in their grade's future Capstone Trip. Students pay \$5 to participate, which works towards their grade's future trip.

Due to student input and the need to have a fundraising plan that is less event oriented, this year we are expanding our program to add additional Out of Uniform Days.

Please consider participating in this program as much as you feel comfortable and continue to support this mutually beneficial common good for our students and families.
